

Retirement Living

Online Symposium

Wednesday 11 May 2022
Wednesday 18 May 2022
Wednesday 25 May 2022

Retirement village operators are facing pressure to deliver high-quality services and products to their customers, yet in order to do so, they must have access to the latest industry knowledge and academic research.

The carefully crafted program will provide content that is relevant to the interests and concerns of those involved in managing and operating Australia's many retirement living villages. This seminar has a national focus and will bring together speakers and attendees from around Australia to discuss some of the most pressing and timely issues facing the industry.

This event is scheduled to take place over 3 dates, each session will be for 2 hours and attendees have the option to attend all sessions or choose which sessions fit their needs.
